KIA ORA, NEW ZEALAND!

Dat 2 August, 31st

On the way to NZ...

To get to NZ, we need over a 10 hours flight. It made all of us think how lucky we were to sleep in a comfy bed. We could enjoy meals, music, and movies. I watched The Lord of the Rings, which was filmed in NZ. Did you know that?

Arrival in New Zealand!

After the long flight, we transferred to a domestic airline and went to Nelson from Auckland. At the airport, we met Yuina, an our exchange student, Mrs. Hashimoto, a tour guide in NZ and Mts. Marry, who has supported this trip 34 years. It felt like finally we got to start the trip in NZ.

Sandwiches in the windy beach

On the way to Motueka, we stopped by Rabbit Island to have lunch. It was cloudy and windy, but we ran around with tasty sandwiches. Btw, there were no rabbits, but we saw Weka, a native bird in this country.

Dinner time with New Zealand people!

It was our first dinner in NZ! Mary and many of her friends came to make dinner for us. We had sausages, eggs, and fresh veggies and fruits. Also, we enjoyed the time with people in NZ to talk to each other. For me, kiwi accent is really unique and challenging to understand. This must be a great experience as an English teacher.
